

All participants attending UWTA's Summer Camp should have a physical examination.

In exchange for the privilege of participating in this event and in consideration of the event sponsor accepting this application, I and my family agree to waive any legal claim against Capital Mountain Camp and the United World Taekwondo Association and camp staff if I am injured while participating in this event or while traveling to or from the event site by public, private or other means of conveyance. By signing this release, I represent that I am in good physical condition and am not aware of any disease or injury that would result in my being injured during any participation in this event.

**AUTHORIZATION FOR MEDICAL TREATMENT MUST BE SUBMITTED BY PARENT BEFORE MEDICAL ATTENTION CAN BE ADMINISTERED IN THE EVENT OF AN EMERGENCY.**

Please attach a note if any health factor such as recent surgery, illness, allergies (i.e., penicillin, milk, bee stings), epilepsy, prescribed medication, sleep walking, etc. should be known for emergency medical treatment or in designing activities in which the student will participate at an elevation of 7,000 feet. If your child will require medication (prescription or over the counter) to be administered while at camp, a separate medication form will need to be completed and signed by the parent and the child's physician.

I certify that to the best of my knowledge and belief, I and/or my son/daughter is in good physical condition and hereby release the Capital Mountain Camp, the United World Taekwondo Association and all staff/volunteers of any liability. I hereby authorize the physician contacted by the United World Taekwondo Association to provide medical or surgical care, including transportation for myself and/or son/daughter in an emergency which may occur while attending Capital Mountain Camp. I am aware that accident and health protection are my responsibility. I will instruct my child to take responsibility for going to the health station at scheduled times for special medication and first aid purposes. Further, I acknowledge that I am familiar with Taekwondo and understand the rules governing participation in training and the importance of following the rules. I agree that prior to participation, I will inspect the surrounding area, facilities and the camp program, and if I believe anything is unsafe or beyond my capability, I will immediately advise my coach or supervisor of such condition(s) and refuse to participate.

I acknowledge and fully understand that my child and/or I will be engaging in a contact activity that might result in serious injury. Further, I acknowledge that there may be other risks not known to me or not reasonably foreseeable at this time. Knowing the risks involved in participation in this camp, I voluntarily assume the risk and accept personal responsibility for the damages following such injury.

This Assumption of Risk and Waiver of Liability is both standalone and an amendment to any Membership Agreement and any previously executed liability waiver between the United World Taekwondo Association (hereinafter referred to as "UWTA"), participants primary martial arts school and Buyer (also known as Participant's Guardian and Camp Participant(s) participating in the UWTA National Summer camp. It is not meant to supplement the Membership Agreement, liability waiver or past participant agreements. All terms and conditions of previous agreements and liability waiver remain in full force.

I understand that by entering Capital Mountain Camp facility or participating in any affiliated activity associated with The UWTA offsite or onsite, I will be in contact with children, families, volunteers, vendors, and employees who are also at risk of community exposure. I understand that no list of restrictions, guidelines or practices will remove 100% of the risk of exposure to COVID-19 because the virus can be transmitted by persons who are asymptomatic and before some people show signs of infection, and further because individuals with symptoms may incorrectly conclude that their symptoms are routine illness and not related to COVID-19. Regardless of the protocols and/or guidelines followed or not followed by The UWTA, and regardless of whether or not The UWTA is in compliance/in concert with county, state, or federal mandates, laws or guidelines, I am assuming all risk related to COVID 19 by entering Capital Mountain Camp and agree on behalf of myself and my minor children to hold The UWTA harmless, as further stated below, in the event I or any of my minor children contract COVID-19 due to participation in any activity affiliated with the UWTA.

I understand that I play a crucial role in keeping everyone in the facility safe and reducing the risk of exposure by following the practices outlined by local, state, federal or The UWTA mandates and recommendations. I understand and agree that if I refuse to follow any guidelines implemented by The UWTA, I will not be permitted to participate in activities offered by The UWTA.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury or illness to participants(s) and/or myself (Buyer), including, but not limited to, personal injury, disability, and death, illness (including but not limited to COVID-19), damage, loss, claim, liability, or expense, of any kind (including medical expenses, attorney's fees, court costs, and disbursements), that Buyer or Participants(s) may experience or incur in connection with Participants(s)' attendance at/or participation in The UWTA National Summer Camp ("Claims"). On my behalf, and on behalf of Participants(s), I hereby release, covenant not to sue, discharge, and hold harmless The UWTA, its employees, agents, volunteers and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions or omissions of The UWTA, its employees, agents, volunteers and representatives, whether a COVID-19 infection occurs before, during, or after participation in any UWTA event. The provisions of this section will continue in full force and effect even after termination of any agreements (ie Membership Agreement) and/or participation in The UWTA National Summer Camp.

I further agree to hold harmless, defend and indemnify The UWTA and it's officers, employees and agents from and against any and all claims, losses, causes of action, judgments, damages and expenses including, but not limited to attorney's fees because of bodily injury, sickness, disease or death, or injury to or destruction of tangible property or any other injury or damage resulting from or arising out of (a) conduct, performance or breach of this contract by participant, (b) participant's entry and/or use of The Capital Mountain Camp or premises, or (c) any act, error, or omission on the part of the Participant or family member.

By registering for this camp, I acknowledge I have read, understand, and agree to comply with the provisions listed herein.

If you do not choose to agree to the above statement, other action desired must be specified on an attached, signed and dated note, before the student can be accepted at camp.
